Services include, but are not limited to: assistance in applying to the University; articulating credit for military training/college credit; ensuring academic success via peer mentoring, tutoring, and academic advising; advocating on behalf of University veteran student organizations; disseminating health and well-being information; minimizing barriers associated with transitional concerns; supporting service personnel prior to, during, and upon completion of deployment/activation activities; securing appropriate housing accommodations; providing outreach and counseling activities; assistance in applying for various financial aid programs such as Title IV aid, the GI Bill, tuition assistance, and scholarships, and disability support services. Additional support services are also available family members of veterans and reservists.
